

SRH HUB

Sexual & Reproductive Health Hub

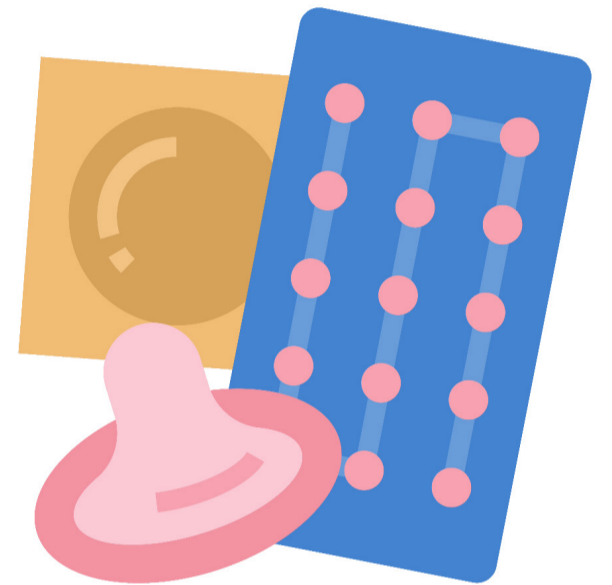

South West Healthcare 

 South West Medical Centre
Community Health Building
287 Koroit Street
Warrnambool VIC 3280

 03 5563 4370

WHAT DOES THE THE SRH HUB DO?

- Contraception, such as contraceptive implants, hormonal or copper intra-uterine devices (IUDs), contraceptive injections, oral contraceptives and emergency contraception.
- IUD- insertion and removal.
- Pregnancy Options, including pregnancy choice counselling, options for termination.
- Medical termination of pregnancy
- Referral for surgical termination of pregnancy
- Cervical screening
- Preventing, detecting and treating STIs
- Menstrual health and menopause

DO I HAVE TO GO TO A DR FIRST?

A referral is not required, and clients can self-refer. When booking an appointment, clients will need to ring South West Medical Centre, so we ask that you specifically request an appointment with the SRH Hub by phoning 03 5563 4370.

COST

Clients attending SRH Hub will be free of charge for their appointment with the Sexual and Reproductive Health Nurse and will have standard medical costs when there is a GP consultation.
